

2017 Lake Isabella Property Owners Association - Fish Fund donation request

If you, your kids, relatives, or friends fish in Lake Isabella, please read on and take part in improving our fishery by making a donation to the 2017 LIPOA Fish Fund.

In 2011 the LIPOA opened an “LIPOA Fish Fund” specific bank account for fish stocking donation programs and to date have received over \$20,000 in donations. Thanks to these donations we have planted over 7,000 walleyes in the 5 to 9 inch range, over 250,000 fathead minnows which spawn every 30 days during the summer, 860 3-5 inch red ear shell crackers (pan fish), and 860 – 6-8 inch catfish.

From residents that donate, I’m all ears as to what species you would like to see planted in 2017. Donations must be received by September 15, 2017. If you plan on donating please act now and don’t set this e-mail aside.

Donors will be recorded by name (or business if preferred), address, phone number, and optional e-mail address. E-mail addresses will be used to update donors on what gets planted and when and at what launch the plant release will occur as well as for receiving current updates on what’s going on within the LIPOA and Village.

Please call John Eberhart at: 989-644-6067 or e-mail him at: deerjohn51@gmail.com or call George (LIPOA manager) or Dorothy (LIPOA office manager) at 644-3326 with any questions.

Please make checks out to: “LIPOA Fish Fund” and send to or drop off at: LIPOA office – 1096 Queensway Dr. – Weidman, Mi. 48893 (phone number: 644-3326)

Please print and fill in requested information, cut along dotted lines (top and bottom), and send in or drop off with your donation. If you do not have a printer, please pick up a copy of this donation letter at the LIPOA office.
